

# Royal<sup>®</sup> green press

## HOTEL GUESTROOM TROUSER PRESS

The Royal Hotel Guestroom Press is the modern way to gently ease trousers back into shape and remove back-of-knee wrinkles with a touch of a button. This amenity is targeted for those guests with a busy schedule who don't have the time to use the old fashioned iron and ironing board. Our Royal Press is a guest amenity that can be used 24/7 with no need for staffing.
